

MARIN CHRISTIAN ACADEMY | ANNUAL FUND

Dear Parents and Guardians:

October 24, 2022

We are excited to kick-off our 2022 **Annual Fund** campaign. The Annual Fund is the primary fall fundraiser for Marin Christian Academy & North Bay Christian Academy. The success of the campaign relies on the entire school community-- parents, alumni, grandparents, faculty, staff, and friends of the school community--to support our school through Annual Fund donations each year.

We are asking for your support of the Annual Fund to help keep the cost of tuition as low as possible and to further our mission of *Preparing Students for Success in Life*. Every family's financial situation is unique, and we are sensitive to the financial constraints on all families, including those receiving tuition assistance. The goal is for all families to give *as they are able*, and for each family to offer their very best donation ranging from \$25 - \$5,000. The school seeks 100% participation from all families. Each and every gift is essential and enables us to provide all students with the highest quality education.

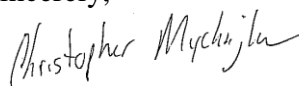

Tuition alone does not cover the full cost of an MCA/NBCA education, leaving an approximate gap per student of \$1,655. The schools depend on the generosity of the community to help make up this shortfall annually. Won't you help us:

- Provide support for faculty and staff - including curriculum and professional development
- Enhance programming in the arts and athletics
- Fund life-changing student retreats and field trips for all grades
- Fund our tuition assistance initiatives

Our Annual Fund will run from today until the end of the calendar year (December 31, 2022) with updates communicated to the school community along the way. We want to have some fun with our campaign too. You will see some fun incentives for students with a focus on our school mascot - the MCA eagle!

Thank you for your generosity and continued support of our students and our wonderful school community. We are excited for God's plan for the future of our schools.

Sincerely,

Christopher Mychajluk
Head of School
